Encouraging Junior Researchers to Value and Share Data Management Skills

Methods:
- Policy
- Inductions
- Existing programmes
- Doctoral supervisors
- Discipline specific training
- Guidance

Open Exeter
http://ex.ac.uk/bQ

Peers
Supervisors
Future and current students
Research group colleagues
Wider academic community

Collaborative grant proposals
Informal networks
Annual review with supervisor
Workshops, seminars and conferences
Teaching

Research
efficiency
Collaboration
Dissemination

Career development
Best practice

Reasons RDM skills are valued
