OCCASIONAL OVERTURE	Handel
Introduction. Allegro. Adagio. March.		
PRAYER, Act I., Scene III., "Lohengrin"	...	Wagner
ADAGIO AND FINALE from the Scotch Symphony	...	Mendelssohn
<p style="font-size: small;">The Scotch Symphony was the outcome of Mendelssohn's visit to Scotland in the summer of 1829. This fine work was planned during the composer's sojourn in Italy 1831-2, but it does not seem to have been completed until 1842, when it was performed in Leipzig. The beautiful Adagio is a veritable song without words, teeming with those melodious traits which Mendelssohn has made peculiarly his own.</p>
