Here am I, Here am I again to reveal.
To reveal, To reveal the past that you thought you had. I recall,

I recall a time from before. Memory Memory in time that is
yet to be. Do you know, do you know I am always here?

Do you know, do you know I am always here?

Passing by, Passing by to show you a mystery. Never far,

Passing by, Passing by to show you a mystery. Never far,
Never far away shall I be.

Seeing you, seeing you and always

shall be here. Your life in time,
