Project Title: Experiencing the Research Role of the Consultant Radiographer - a Grounded Theory Project

Chief Investigator: Mrs Rachel Harris, Professional Officer for Research, The Society and College of Radiographers and School of Psychology, The University of Exeter.

Dear Sir/Madam,

The University of Exeter will act as sponsor for the proposed clinical study titled ‘Experiencing the Research Role of the Consultant Radiographer - a Grounded Theory Project’. The University will undertake its responsibilities in this role as outlined in the Department of Health’s Research Governance Framework for Health and Social Care (second Edition, 2005). In addition the University will ensure that the necessary ethical approval and cover for indemnity and insurance are in place before the study commences, and will be renewed as appropriate.

Yours sincerely,

Dr Michael Wykes
