

Impact of the Workshop - Future Memory in Place - your thoughts teachers

School: *St. Helen's* Year Group: *5*

Teacher Name: *K. HODDER*

We would be grateful if you could comment on what you felt about the way in which these workshops benefited the pupils and contributed to the overall curriculum, including your views on some, or all of the following :

- 1) What was exciting, innovative or challenging *new activities, experiences and style of learning!*
- 2) Whether the pupils discussed aspects of the workshop afterwards, either in class or at home *- In class, but not @ home.*
- 3) did it inspire individual pupils and if so in what way *- Yes, they were motivated to continue and improve their art.*
- 4) has it had any noticeable impact on their work or attitude
- 5) what aspects you think worked best, and which could be improved
- 6) if we were to do these workshops again, would you want your class to take part *- Yes!*
- 7) whether you have, or intend to develop certain aspects presented in the workshop, and if so in what way (eg alternative mapping, journeys, mobility and place)
- 8) how likely you would be to use an education pack if one was created around these activities *- Very likely!*
- 9) whether you would participate in a teachers workshop developing ideas of the project *- Our art co. would.*
- 10) whether this workshop enabled the pupils to perceive and think differently about place and/or landscape, for example through the drawing and writing activities

And any other comments... *A fantastic opportunity for pupils, providing CPD for staff and in an organised, enjoyable way!*

Thank you very much for taking the time to answer these, we have enjoyed working with you and your pupils and look forward to seeing you in October!

4. *Improvement in attitude by some pupils; but most had an excellent attitude anyway.*
5. *Outdoor learning was great for the pupils. Colour mixing and linking it to music was very beneficial!*

Note! Teacher Not present for class or van activity
