Once upon a time there was a boat called Madam Ocean. One day, a person came along and said it's a gorgeous boat. It always wanted to have a boat. But she didn't know that it was cursed and ghosts were on it. She took the boat out for a test and screamed "yes it works," so she slept in it that night but woke up in the middle of the night and heard a noise. She looked and it was a demon with red eyes. She never came back. Got killed and was never seen again.
My boat: Super coleso

But this boat took to pirates and fought against them. Some people thought he was nasty, but he showed he wasn't once again.

Once upon a time there was a boat called Super coleso. Everyone respected this boat for what it did. And that's I'm going to tell you. This boat was not just a boat; it was a taking boat. It fought against pirates and it helped people to get people to be friends. And I believe it's still that way today.
Once upon a time I was on my trip to New Zealand and there were falling bugs and they were delicious.

My boat is 30 M wide and 30 cm wide.

My dog came to and My family and my mum and my dad and my brother and sister.
Once upon a time
a boat named Thomas sailed through the sea until an enormous storm started.
There were humongous waves.
A couple of them went over the boat. I couldn't control it. It was too hard. But we came to a cave. So I steered as hard as I could. I survived, but my boat was smashed into pieces.

The end.
Once there was a boat called Da Vina. Even though it had guns, there were the Da Vina pirates, and they had a war of cherry's, the pirates fired the cherry's out of their cannons while the crew of the Da Vina fired the cherry's out of the built in guns. Suddenly, the afterman staked onto the Da Vina, and the Da Vina sank.
My Name is Bobby, here is my story.

This boat was on the side of the sea. It is a blue boat.

Then out of the darkness came... a dancing bear. Big tornado blew.

I smiled and said, "Don't worry, we will help you stop the bear. You'll be fine!"

But was the bear really after all...
The boat was rocking back and forth.
The clouds were grey and the sun did not come out.
There were massive waves crashing and splashing against the rocks.
The anchor was shackling on the sand and pebbles.
My boat had stuck on the rock.
I was pulling on the anchor but there were these horrible creatures called Grobbleageops pulling it down. Then the anchor caught the creatures and then got away.
I then sailed to sunshine rock away from everything.
Gymnast 10 was rocking back and forth. A stormy night. Gymnast 10 was lovely colourful fish. Suddenly, there were lots of them. The boat was starting to sink. Just then, a pink seal jumped out of the water. The seal pushed all the colourful fish into the seal. A pink seal protects it.

It's pink, orange, yellow, green, blue.
It's very big and long.
Once upon a time a boat sailed through peaceful waters. Suddenly, a storm started. It was terrible. Just as it started to grow huge, a cloud appeared. The captain, Horace, stared at it in horror. Like magic, a massive cyclops appeared in the sky.

"You shall not pass!" bellowed the cyclops. The boat shook and shuffled, but the charm at the front stopped it from tipping. The charm was an angel. It had powers to make the boat invincible. It shot an electrical beam at the cyclops and it shrunk. Bradley picked it up and made a handy little keychain. The end.
