What I See......

A Big house at the top of my street
With lots of gnomes in their garden.

There's a mini car coloured green.
I see a big lamp post.

And that's when my journey ends.

I see the jolly lolly pop man.

I smell cutt grass. Singing.

I see the jolly blue gate.

I hear children laughing. Smiling.

I hear food works.

I hear a little truck.
