see the same happy  
children everyday.

that small stream coming  
from a disowned home?

the smell of  
alcohol from  
the pub

That path that  
which always  
has water in it

The white friendly  
cat.

The crows that  
always watch me.

The tree branches  
that always hit  
me in the face

Post the rail way

Post the creepy graveyard

Post the car that  
always nearly  
hits me

AS I get out of my house a see a crackles drain then I ~~walk~~ walk ahead and down the steps then go past a small grass field that's up on that road the government moved ~~new~~ to fit houses. I go up a <sup>mountain</sup> Forrest where is a bit creepy, As I'm on my left theres a dog that barks at me then I walk on my right then go in the shop and buy chewing gum. AS I go out of the shop theres a dog that barks at me. I carry on walking slight and there a waterfall. I cross a road where it takes me a minute to cross, Then I catch a bus where the always <sup>man</sup> class walk with

On my way to school I go past my dad's girlfriend's house. Past my aunt's house. I turn the corner and there's bushes then I knock for my friend (Lucie) we turn the corner and walk past the bus stop cross the road and go through the park. Then out of the park past the marquis, past a grave yard and then in at the school
